

K01 GUIDE FOR REVIEWERS

Mentored Research Scientist Development Award

Purpose of the Award

- Provides support and “protected time” (3-5 years) for an intensive, supervised career development experience in the biomedical, behavioral, or clinical sciences leading to research independence
- Used by the participating NIH Institutes and Centers to support career development experiences that lead to research independence
- Some NIH Institutes and Centers use the K01 award for individuals who propose to train in a new field or for individuals who have had a hiatus in their research career because of illness or pressing family circumstances

More Information
